2016 – 2017 Honors Parent & Student Contract

Student: _____
(Please print name)

Courses requested: _____

Grade level next year: _____

Please carefully read each item below, and **initial**, indicating you understand the expectations of an Honors course.

_____ I am aware of the increased workload and rigor with an Honors course.

_____ I understand that my student **could have** at least one hour of homework per night with each Honors course.

_____ We have discussed as a family, the importance of my student's responsibility to balance homework with any outside activities and non-school related commitments.

_____ I understand that any Honors course is a **YEAR LONG** commitment.

_____ My student and I understand the commitment and responsibility required for these courses.

My signature below is confirmation that I understand all the rigor and responsibility that comes with any Honors course. My student is committing to remain in his/her chosen Honors course(s) throughout the 2016 – 2017 school year.
